

At **Once Upon A Time Daycare** we believe good attendance plays a fundamental role in supporting children's educational achievement, well-being and in keeping children safer. Establishing regular routines for young children supports the settling-in process and enhances their sense of security and belonging. When a child has a part-time place, regular attendance is especially important.

This policy outlines the procedures to promote and monitor attendance and those that will be followed if a child is absent from the setting. We wish to create a culture where good attendance and punctuality is valued by all and so will work with parents to work together to remove barriers to attendance. We recognise that sometimes families may need extra support with attendance, therefore effective communication is essential between parents and the key person, who may be able to offer advice and support or referrals to other agencies who may be able to help, such as the health visiting team, portage or early help.

To promote good attendance, we will:

- Share our attendance expectations with parents prior to admission, including conveying clearly to parents that regular attendance and punctuality
 - Is expected
 - Is in the child's best interest, and
 - That unexplained absence will be investigated
- Keep records of attendance to enable monitoring and evaluation so that emerging patterns are addressed
- Foster a positive attitude to good attendance by quickly responding to children's absence while also recognising and celebrating, 'good' and 'improving' attendance
- Target attendance where there has been an issue and aim to set in place strategies and techniques to support improvement.

Whilst attendance at nursery is not statutory, authorised absence will be granted in the following circumstances, where parents inform the nurse on the first day of absence or prior to the first day of absence:

- Illness of the child
- Illness of siblings or parents
- Bereavement
- Health services appointments
- Holidays, including extended visits to family overseas
- Religious observance
- Emergency or exceptional circumstances.

Monitoring attendance

Records of children's attendance are accurately kept and regularly monitored to ensure that we can identify any potential problems and look for patterns. All managers and staff are alert to signs that children and learners who are missing might be at risk of abuse or neglect, and appropriate action is taken when children stop attending. While we are aware that attendance is not statutory, we recognise that non-attendance could be an indicator of other concerns. All managers and staff are particularly aware of the need to monitor groups such as those who are considered to be vulnerable learners.

Funded Early Learning (FEL) and Extended Absence

Children accessing Funded Early Learning (FEL) are expected to attend their funded sessions regularly to ensure they receive the full educational benefit of their entitlement. Where a child is absent for an extended period, the setting will make reasonable attempts to contact the parent/carers to establish the reason for the absence and whether the funded place is still required.

If a child is absent for a prolonged period without communication or where attendance becomes irregular, the provider may be required to notify the Local Authority in accordance with the terms of the Funded Early Learning agreement. Continued unexplained or prolonged absence may result in the Local Authority reviewing the child's funded place, which could lead to the funding being withdrawn or the place being reallocated. In these circumstances, the provider may no longer receive funding for the child's place and reserves the right to review the child's enrolment in line with Local Authority guidance and the nursery's admissions policy.

Parents/carers are therefore asked to inform the nursery as soon as possible of any planned or unexpected absence, including holidays, illness or exceptional circumstances, so that appropriate records can be maintained and any funding implications can be discussed.

Procedures to record, monitor and follow up non-attendance

Registration will be completed to record attendance or non-attendance.

Non-attendance:

- If a child is absent and we are informed of their reason for absence this will be recorded on the register
- If a child is absent without an explanation a telephone call (to priority and secondary numbers, e.g. home and work) will be made to the main carer to establish the reason for the absence
- If no contact is made, then we will follow this process:
 - Contact any second main carer (to priority and secondary numbers, e.g. home and work)
 - Contact the first emergency contact number
 - Contact the second emergency contact number.
- If contact cannot be made by telephone call, a home visit may be carried out and a contact postcard will be posted through your door if there is no response
- If there continues to be no contact and there is cause for concern, the health visiting service and/or the Children and Family service will be contacted to ascertain if family support may be needed
- In more urgent cases, the police may be contacted to carry out a welfare check.

Leaving the nursery

If you decide to withdraw your child from the nursery, please see our Parent Contract and Terms and Conditions for notice periods. This will ensure that we remove your child from our systems and therefore will not expect them to attend.

If your child is transitioning to another early years provider or school, please provide us with the details of the new setting so that we can transfer essential information, such as their unique pupil number or funding eligibility code.
